

# Lakeland Regional Safety Committee

## Lakeland Regional Safety Conference '19

Friday, February 1, 2019 - Lloydminster Exhibition Grounds - Prairie Room

***Rebuilding Safety – Back to Basics!***

### Re: Invitation to Sponsor

We are pleased to announce the Lakeland Regional Safety Committee will be hosting the 4th Regional Safety Conference '19 **Rebuilding Safety – Back to Basics!** on Friday, February 1, at the Lloydminster Exhibition Grounds. This one day event will provide opportunities for a variety of employees & employers to take part at a local level with minimal time or financial commitment to build relations that focus on Health, Safety and the Environment in the workplace. We hope to identify solutions to align safety training that meet the needs of regional industry and learn from research and best practices. We also want to develop viable business and equity business opportunities for the safety community. It all starts with building networks that will result in human resource development, business ownership and supplier diversity to enrich the safety culture within many of our local businesses.

This event of connecting will start with an 8am Registration and will be followed with a full day event that will include keynote speakers on various topics. Lunch is provided, networking opportunities and shared with 16 Safety Trade Exhibitors. The afternoon will bring two sessions to focus on your interest of safety talks.

This event is not possible without the involvement and support of many people. We are inviting your company to sponsor this progressive event. The following page outlines our Sponsorship options. Your sponsorship will be highlighted in announcements and advertising as well providing your company the opportunity to offer greetings/introductions and secure advance tickets to the event.
