

Membership Fee Schedule

January to December 2012

(Fees are prorated during the Year)

Full Members are members of the Lloydminster, Alberta, and Canadian Construction Associations, as well as an Affiliate Member of the Saskatchewan Construction Association. Voting rights, Member discounts, access to both LCA Plansroom, and COOLNet AB passwords to view plans, specs, and addendums online are all member privileges.

Full Membership Pricing: (If Gross Income Is)

Over 1 Million	\$1050.00
\$300,000 to 1 Million	\$950.00
Under \$300,000	\$850.00

(Plus GST)

Affiliate Members are a firm or business who is a member in good standing order of another AB Construction Association where provincial fees have been paid. Affiliate members receive membership with the Lloydminster Construction Association only, and have full access to the physical Plansroom and can book out plans and specs.

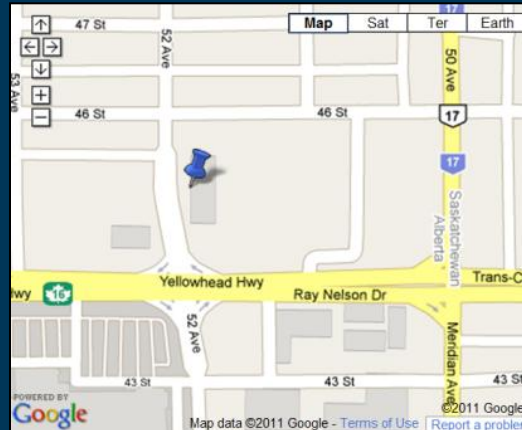

Affiliate Membership Pricing: \$650.00 *(Plus GST)*

Associate Members are members of the Lloydminster Construction Association only. They are companies who support our local construction companies. They receive all member discounts, but **no** Plansroom privileges.

Associate Membership Pricing: \$500.00 *(Plus GST)*

Bulletin Members are members of the Lloydminster Construction Association. They receive member discounts, and full access to the physical Plansroom.

Bulletin Membership Pricing: \$500.00 *(Plus GST)*

LLOYDMINSTER CONSTRUCTION ASSOCIATION

Working together for your Construction Industry.
We are your Commercial Construction Information Centre.

Office Hours

Monday – Friday
8:00 am – 12:00 pm
1:00 pm – 4:00 pm

The Lloydminster Construction Association is a non-profit organization serving the Midwest and Lakeland Region. Our goal is to work on behalf of all companies involved in the construction industry.

We provide project tender information with our physical and electronic Plansroom, COOLNet Alberta.

Membership allows you to have a voice, as there is strength in numbers. We provide a network for your professional and business needs. The LCA promotes the contributions and importance of the construction industry to our local and provincial economy.
